

ERRATUM

Cereal Chemistry, Vol. 46, No. 2

(March, 1969)

PAGE 145, VANETTEN et al.:

The following omission was made where the text ended on page 145:

or after (4) autolysis gives nontoxic meals containing none of the compounds I through V. Protein efficiency ratios (PER) are reported on the nontoxic meals.

In Literature Cited, reference 6, the name VanEtten was misspelled.
