

AWARD NOMINATION FORM

AACC International is proud of its members' many accomplishments that have advanced the association and the field of grain science. Help us recognize these individuals by nominating a fellow colleague to receive a prestigious AACC Intl. award. All members are strongly encouraged to submit nominations for these awards at any time.

To nominate someone for an award, send their contact information and your contact information, as well as a summary of the nominee's career, accomplishments, and contributions to AACC Intl. headquarters. Supporting letter, curriculum vitae, and list of publications are also welcome. Nominations should address the activities most relevant to the award, with a clear statement of the impact the nominee has had in his/her specific area of expertise. All awards approved by the AACC International Board of Directors will be presented at the annual meeting. Nominations are welcome at any time, but to be considered for the 2009 awards, nominations are due on January 1, 2009. Completed nomination packets can be sent to AACC International Headquarters at 3340 Pilot Knob Road, St. Paul, MN 55121 U.S.A. Attn: Linda Schmitt or you can email nominations to Linda Schmitt at lschmitt@scisoc.org.
